

Registering for SAT-ACT-Subject Tests

Students are responsible for registering for the SAT, ACT and Subject Tests on your own. The schedule for these test are found on our website under CCC>testing or you may go directly to the following websites:

SAT or Subject Tests:

www.collegeboard.com

Questions? College Board: 1-866-756-7346

ACT:

www.act.org

Questions? ACT: 1-319-337-1270

Palos Verdes High School CEEB Code: 052358

Be sure to register early. Palos Verdes High School is a testing site and space fills up quickly. Make sure you observe the deadlines to avoid late fees.

Walk-up/Stand-by testing may be available on a first-come, first-served basis depending on space available. There are no guarantees walk-ups will be admitted and additional fees are required. Students must have registration forms filled out. Forms are available in the CCC.

Counselor Notes:

Early Decision and Early Actions applicants, in most cases, can still test in November. Check with your individual colleges to verify the last test date accepted and potential consequences in delaying the processing or consideration of your application.

The University of California will accept tests score taken up to December.

Single choice scores delayed until Fall of senior year may delay the processing of your applications. (see information under "Sending Test Scores to Colleges")
