

# Proctored SAT, PSAT, and ACT Practice Tests

A full-length practice test and analysis is one of the best ways to find out your strengths and weaknesses on the SAT, PSAT, ACT, or Subject Tests. Compass offers diagnostic testing as a free service to students. Many students enjoy the convenience of taking practice tests at home, but we also make available proctored test dates, where students can experience practice tests under realistic conditions. Call us at 1.800.925.1250 to arrange for an in-home practice test or to RSVP for a proctored test day. There is never a charge for our testing and grading services.

Test dates are subject to change. Call us or check [www.compassprep.com](http://www.compassprep.com) for the latest schedule.
