

# Proctored SAT, PSAT, and ACT Practice Tests

A full-length practice test and accompanying analysis is one of the best ways to find out your strengths and weaknesses on the SAT, PSAT, ACT, or Subject Tests. Compass offers diagnostic testing as a free service to students. Many students enjoy the convenience of taking practice tests at home, but we also make available proctored test dates, where students can experience practice tests under realistic conditions. Call us at 1-800-925-1250 to RSVP for a proctored test day or to receive a practice test that you can take at home. We may also be able to schedule individual appointments at our Beverly Hills office. There is never a charge for our testing and grading services. Below is a list of upcoming practice test dates. Compass clients may also log in to the Compass portal at [compassprep.com](http://compassprep.com) to view all currently scheduled dates and to reserve a spot.

## Beverly Hills (Compass Office)
