

Understanding Your PSAT Results

A full explanation of reviewing your PSAT Score Report is available on the CollegeBoard website under Score Report Plus: www.collegeboard.com or use the links on our school website: www.pvhigh.com under CCC>testing>PSAT/NMSQT

- **Your Scores** are based on a scale of 20-80 in the areas of Critical Reading, Mathematics and Writing Skills.
- **Score Range** is what CollegeBoard predicts your score would be if you took the PSAT/NMSQT a number of times.
- **Percentiles** are national percentiles to help you compare your score against other juniors or sophomores in your class year.
- **Review Your Answers** gives you information about how you answered every question on the test. You receive your test booklet back with your score report so you can go back and review.
- **Improve Your Skills** is probably the most important part of your score report. CollegeBoard gives you feedback on your academic skills based on your test performance in each section of the test and given suggestions how to improve your skills.

All students who take the PSAT/NMSQT have free access to “**My College QuickStart**” on the CollegeBoard website. This is a personalized planning tool that some of the features similar to what we use on Naviance. You are given an access code on your PSAT/NMSQT score report that will give you access to this feature.
