

Counselor Packet

Parent Recommendation Letter

(To be completed by the parent, please type and attach)

What would you want the college admissions officer to know about your child that they would not be able to glean from only school records and the college application?

Parental insight makes a tremendous difference in the quality of a finished letter of recommendation, so we ask that you address this portion of the packet with anecdotes and other pertinent information that is not already used in the college application.

Possible topics may include discussion regarding your son or daughter's greatest strengths, most unique characteristics, significant family events, personal obstacles, etc.
