

DO YOU KNOW WHAT YOUR STUDENTS CONSIDER LETHAL?

Ask them and they'll no doubt say drugs, guns, disasters, bombs, diseases, and so on.

ASK THEM WHAT IS THE NUMBER ONE KILLER OF TEENS?

You'll hear a combination of the same, drugs, alcohol, cigarettes, etc.

THE ACCURATE ANSWER IS:

Distracted and reckless driving.

5,500 teens died in car accidents last year.

75% of them had nothing to do with drugs or alcohol.
