

FOREIGN EXCHANGE STUDENTS

We can take a foreign exchange student if:

1. The student is affiliated with a foreign exchange organization that is approved by the Attorney General's office. For example AFS. These students are temporary and can attend for **one year**.
2. And in order to approve the admission of a foreign exchange student, the superintendent or designee must receive a written request for enrollment by May 20th of the preceding school year from the organization.
3. The student's **English** proficiency must be sufficient for a successful study at the school.
4. Space must be available and a suitable program exists at the school.
5. In addition the student shall submit evidence that he/she has been fully immunized in accordance with California law.
6. A descriptive or numerical evaluation of the student's academic performance must be given.
7. They must meet district proficiency tests **ELD testing**.
8. Students must be younger than 18 before December 1st. Compulsory education ends at age 18.
9. The exchange organization has a family that resides in our district that can provide proof of residency.

What we **do not provide** the foreign exchange student:

1. Do not provide a diploma especially if the student is an 11th or 12th grade enrolling.
2. We do not provide visa's.
3. No I-20 or visitor visa's. Districts never take F-1 or J-1 visa's. If an adult immigrant is here on an F-1 visa or E-2 visa, we can enroll their children if they can provide proof of residency. These are good for one year.
4. A letter of attendance can be provided.
